**Dear Participants
of the 35th CADFEM ANSYS Simulation Conference in Koblenz, Germany:**

Please find below some useful information on the upcoming Conference, including Forum Digital Cities and CADFEM Medical Conference

1. Venue and Travel Information

Rhein-Mosel-Halle

Julius-Wegeler-Str. 4

56068 Koblenz

www.koblenz-kongress.de (website only in German – sorry)

Our venue, “Rhein-Mosel-Halle” is located close to the city center and the banks of the Rhine river.

By car: Underground public parking facilities are available near the Rhein-Mosel-Halle. We also recommend the facilities at the Palace („**Tiefgarage Schloss, Neustadt 30, 56068 Koblenz**”) and at Goerresplatz („**Tiefgarage Görresplatz, 56068 Koblenz**”). If you are staying in the city center of Koblenz, we advise you to leave your car in the hotel and walk to the Rhein-Mosel-Halle or use the bus.

Public transfer: The city center is just a few minutes’ walk away from The Rhein-Mosel-Halle, which is served by **bus lines 6, 8, 9 und 10**. If you arrive by train the Koblenz main station is about 1 km from the venue. For more information please visit: www.vrminfo.de/en

2. Registration

Upon your arrival at the Rhein-Mosel-Halle **please register immediately at the Conference Office** on the ground floor. Note: **Please ensure your name badge is visible at all times during the conference.**

3. Conference Program

The event includes almost 200 contributions. You can find information on all lectures (e.g. time and location) on www.simulation-conference.com or in the official conference guide, which you will receive upon registration. The conference guide is already available in pdf format.

Download: <http://simulation-conference.com/library/downloads/CADFEMANSYS2017-Programmheft.pdf>

Conference presentations will be distributed by download using myCADFEM, the CADFEM Customer Portal. The release date of the conference proceedings is scheduled for December 8th, 2017. You will receive information by E-Mail as soon as the proceedings are available.

#

4. Conference Social Event on Thursday

For the traditional CADFEM social event at the end of the second conference day we invite you to the Electoral Palace of Koblenz. This historical palace is just a short walk away from the Conference Center, right next to the banks of the Rhine river, and close to the city center and several hotels. At the social event you will enjoy a culinary journey through the Middle Rhine region.

5. Languages

Conference languages are **German and English**. All lectures and presentations with English titles are supposed to be held in English, and those with German titles will largely use English slides. Due to the large number of parallel sessions, please note that simultaneous translation will not be offered.

6. Sponsors and Exhibitors

The sponsors HPE & Intel as well as [about 30 further exhibiting organizations](#) are an important part of the event. We appreciate their support! A “rallye through the exhibition” will be held. Participate and win attractive prizes!

“Join [HPE & Intel](#) at booth #9 and take a look at some of the featured products and solutions they will be showing: shortening time to design with HPC solutions and some of the latest solutions on the Digital Twin and Intelligent Edge.”

7. Film Team & Photographer

A film team and a photographer will record some impressions of the conference. After the conference a short film and some images will be published for marketing purposes. If you do not wish to be filmed or photographed, please avoid being in the shots, or inform the film team or the CADFEM and ANSYS staff in advance.

[Have a look at the short movie from our 2016 conference in the CADFEM YouTube Channel!](#)

8. Further Information:

- **Conference website**
